We can make a difference

Name:

Imagine

Record

Note down some of the highlights from your inquiry work which can help you decide on a positive action to explore further.

Thinking about your inquiry question, list all the positive ways you could support your community and create a change.

Think about ...

How can you make a difference to people, the environment or wildlife?

Idea

Pick one idea to focus on.

Tip:

Keep it
meaningful and
manageable.

Consider

**How will
this idea
improve your
community?**

**Who will
benefit from
your idea?**

**How is
your idea
achievable?**

Plan

Who can you chat to about your idea to get some advice?

List the resources you will need.

[illegible]

Consider

Share your plan with other groups or an expert. Record any suggestions they have to improve your design.

What did you change or modify in your design?

Design

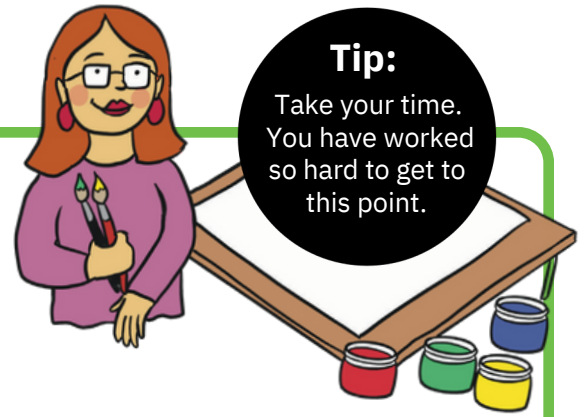

Create a labelled diagram to support your thinking.

Create

Have a go at creating your idea.

Use this space if you need to redraw your design after considering the feedback.

Implement

How will you share your change with others?

How will you know if your change has been successful?

Reflections
